*Friends of Santee Library is A Non-profit Corporation
Supporting
the Construction of a New
Santee Branch Library*

The Friendly used Bookstore, located just a few doors down from the Santee Library, is open 7 days a week. The Bookstore staffed by FOSL volunteers is currently our primary source of income. All proceeds after operating costs support the Library.

≡ You Can Make a Difference!

Our current successful but under-sized Library is a busy place, setting records for circulation, number of visitors, program attendance and internet use. For over 100 years our staff has provided great service

We have set a record for quality and number of programs, yet have no specific space to do programs. The Library needs to double its interior size and acquire more parking in order to provide the services that Santee needs. Please support our efforts to build a new permanent Library building.

We need the community's support to fund a new Library building with all the bells and whistles to service the needs of our children, grandchildren, parents and ourselves.

Support for a New County Library in Santee

The money we raise through our Friendly Used Bookstore sales currently supports the services and programs at the Santee Library. In order to build a new library facility we need to expand our fund raising. The Building Fund managed by the Friends of Santee Library is currently at \$107,500. We need about \$18 million to fund a space with the flexibility and 21st century technology to support the current and future community needs.

The current effort to raise funds for a new Library building is underway. We have a committee in place to work on this evolution. We are looking for help in making this effort happen. We need people to fill several support efforts, including grant research and writing, advertising (paper and media), outreach to develop community awareness and interest, and fundraising.

If you are interested in taking part on one of these committees or as an individual, please contact Chris Miller at the Bookstore or call 619-596-1525.

Donations to the New Library Fund:

There are several ways you can donate to the new Library.

1. Support the bookstore because 10% our annual sales goes into the Building Fund.
2. Drop a donation in the box in the Bookstore or make a significant donation by check. We are a 501 (c) (3) non profit corporation and can give you a tax deductible receipt.
3. Look for other donations for us, such as available grants, and notify us.
4. Help us partner with businesses and institutions in the area for further support.
